

Please DO NOT CHANGE the type of FM station that I listen to, the call letters are KLove at 94.3 in Elgin, Illinois. This syndicated station provides positive and encouraging FAMILY programming. It is the only station that my children and I listen to. It would be detrimental to my family if we could no longer receive the programming/message that this station provides as it is very positive and I do not have to worry about what my children might hear (ex. inappropriate content on the popular music stations like Q101, B96.3). It is in the public interest to keep this type of POSITIVE FAMILY ORIENTED PROGRAMMING AVAILABLE as it can be heard anywhere not just on the internet.

Thank you for your consideration and making the right decision for the public.
